COVID-19 
Impact Survey

COST Action CA18213:
RURAL NEET YOUTH

Call for participation

May 2020

CONTEXTUALIZATION

We are calling for all COST Action 18213 – Rural NEET Youths Network members to respond to this crisis by working together as international community by preparing a short survey for the COVID-19 Impact and sharing it with national NEET experts and relevant stakeholders.

This short online survey will identify and prioritize local needs, and help us to gain a better understanding of the practical needs of our NEET groups in your communities. The results of the survey will be analyzed and best-practice recommendations for implementing global/international/national policies will be prepared. The results of the survey will be dedicated to the public domain and shared internationally with EU institutions and nationally.

WORK PLAN AND TIME TABLE

- Till 6th of May 2020: Approved working group (5 COST 18213 representatives from different countries),
- Till 15th of May 2020: Online meeting of the group
- On 15th of May 2020: Approved structure of COVID-19 Impact Survey,.
- Till 15th of June 2020: Dissemination of Survey.
- On 30th of June 2020: Dissemination of results,.

COVID-19 Impact Survey group members will be invited to become co-authors of scientific publication based on the findings.

At this movement we are looking for members to take part on a dedicated working group to coordinate all these mentioned activities. We encourage particularly ECI and members from ITC countries to be involved in this task.

If you are interested and would like to join this initiative, please [fill in the online form](#) till 5th of May, 2020.
